

Apartment in Sell to Chieri Area: Pessione

118 sm | Bathrooms: 1 | Bedrooms: 2 | Rooms: 3

In a small context of only three residential units, free from any kind of condominium expense, we offer an excellent accommodation located on the second and last floor.

Internally composed of entrance through door, double living room with open kitchen and double exposure therefore very bright, thanks also to the full southern exposure where we find a window and a door/window that leads to a first balcony.

We find a very large bedroom, with access to a further balcony. Adjacent to the bedroom there is a walk-in closet with window.

The property is of particular interest as the heating is autonomous with methane, powered by a recently replaced condensing boiler, all the windows are in PVC with double thermal break glass.

Furthermore, the home is totally free from condominium and/or administrator fees.

THE PROPERTY BENEFITS FROM A RAW ATTIC THAT IS CURRENTLY NOT HABITABLE.
