Less than 300 meters from the Ipercoop supermarket and Lidl, we offer a fantastic apartment completely renovated. The property is particularly interesting as all kinds of interventions relating to energy efficiency have been carried out, redeveloping the property such as 12 cm thermal insulation on both vertical and horizontal areas, on porticoed areas and pilotis floors, additional insufflation on the cavities and replacement of all the windows with maximum energy efficiency, solar panels for the production of hot water, thus benefiting from very low management and heating costs.

For those looking for a property with exaggeratedly large internal spaces, terraces, very bright internal rooms and with very low management costs, this property reflects what you are looking for.

The apartment consists of an entrance hallway, large eat-in kitchen, two double bedrooms, two bathrooms and large balconies.

In the basement we find a double tiled cellar.

The property includes a garage on the ground floor.

THE PROPERTY IS OF PARTICULAR INTEREST AS IT IS COMPLETELY FREE OF ARCHITECTURAL BARRIERS. THE LIFT SHAFT HAS BEEN COMPLETELY REPLACED IN ORDER TO FACILITATE PASSAGES WITH WHEELCHAIRS

LOW CONDOMINIUM FEES.
